

## PLAYING BROKEN SUITS

With this nice 16 HCP balanced hand, you have an easy 1NT opening.

<b>S</b>	South
♠	AK63
♥	J652
♦	AJ6
♣	K7

Your partner transfers you into hearts and then rebids 3NT, showing exactly 5 hearts and 10 or more points.

West	North	East	South
			1NT
Pass	2♦	Pass	2♥
Pass	3NT	Pass	4♥
All Pass			

Since you have a known 9-card trump fit, you should convert to the safer 4♥ contract.

West leads a trump and you see this dummy:

<b>N</b>	North
♠	J2
♥	KQ1087
♦	Q109
♣	J102

West leads ♥9

<b>S</b>	South
♠	AK63
♥	J652
♦	AJ6
♣	K7

You see two spade losers that can be ruffed in the dummy, 1 unavoidable heart loser and 1 unavoidable club loser. You will lose a diamond if the  $\spadesuit K$  is off side. And if so, you cannot afford another club loser.

The opponents are expecting you to get extra tricks by ruffing, so they lead a trump. But you don't mind because you have plenty of trump to both pull them and use them for ruffing losing tricks. East wins the  $\heartsuit A$  and returns another heart. You win the second heart, having cleared the suit. You can take your two spades and ruff the 3<sup>rd</sup> spade in the dummy. You might as well run the diamond finesse to know what your problem will be in the club suit.

Sure enough, the  $\spadesuit K$  is in West and now you must bring the clubs in for no more than 1 loser. The odds favor the placement of the  $\clubsuit A$  and  $\clubsuit Q$  in separate hands. But your honor holding in the dummy should suggest the winning play.

Lead the  $\clubsuit J$  after you trump the second low spade. If East covers with the  $\clubsuit Q$ , play the  $\clubsuit K$  and hope West will win the  $\clubsuit A$ . If East plays low, let the  $\clubsuit J$  ride. Here, this technique will work. West will either have to use his  $\clubsuit A$  on his partner's  $\clubsuit Q$ , making your  $\spadesuit 10$  good; or he will have to use his  $\clubsuit A$  on your  $\clubsuit J$  giving you the 10<sup>th</sup> trick with your  $\spadesuit K$ .

This is the entire deal:

<div style="border: 1px solid black; padding: 2px; display: inline-block;">11</div> <div style="border: 1px solid black; padding: 2px; display: inline-block;">D</div>	<b>N</b> North $\spadesuit$ J2 $\heartsuit$ KQ1087 $\diamondsuit$ Q109 $\clubsuit$ J102	<table border="1"> <tr><td>W</td><td>N</td><td>E</td><td>S</td></tr> <tr><td>P</td><td>2<math>\spadesuit</math></td><td>P</td><td>1NT</td></tr> <tr><td>P</td><td>3NT</td><td>P</td><td>2<math>\heartsuit</math></td></tr> <tr><td>P</td><td>P</td><td>P</td><td>4<math>\heartsuit</math></td></tr> </table>	W	N	E	S	P	2 $\spadesuit$	P	1NT	P	3NT	P	2 $\heartsuit$	P	P	P	4 $\heartsuit$
