

♠♥♦♣ THINKING ABOUT ENTRIES ♠♥♦♣

North is the dealer. It is two passes to you:

S	South
♠	43
♥	AKQJ106
♦	A5
♣	972

You have a fine quality 6-card heart suit. Your 14 HCP is really more like 17 points. You open 1♥ and West doubles. Partner responds 1♠ and when the bidding returns, you jump to 3♥. This shows 16-18 points and a self-sufficient heart suit. This is a suit that can serve as trump with as few as 1 heart in partner's hand. He raises to 4♥.

West leads the ♦ K. What is your plan?

N	North
♠	KQ852
♥	84
♦	943
♣	A64

West leads ♦ K

S	South
♠	43
♥	AKQJ106
♦	A5
♣	972

You have 6 heart tricks and two outside aces. You need two tricks from the spades. That is going to depend on the position of the ♠A. If it is in West (a good bet since he doubled your opening bid), you will need to lead up to the ♠KQ. That involves getting

back to your hand twice. If you first pull trump and West holds up his ♠A until the second lead, you will be locked in the dummy. You were lucky West didn't lead the ♣K because you need the ♣A to access the good spade later. But the ♦K knocks out your one hand entry in diamonds. What is the solution?

The solution is to win the ♦A and pull one round of trump. Lead up to the spade and win the ♠Q. Now lead a trump back to your hand and lead another spade. West will rise with his ♠A and will allow you back in the lead, either with a 3<sup>rd</sup> diamond or a spade. Whichever he leads, you will ruff and pull the remaining trump. Then you can access the ♣A and discard a losing club on the good ♠K.

This is the full deal:

D	N North	♠ KQ852	W	N	E	S
		♥ 84	X	1♠	P	1♥
W West	S South	♦ 943	P	4♥	P	P
		♣ A64	P
